In the Arturo Color Collection, we present 6 different style directions. Each style direction has a natural guideline; inspired by nature and includes 4 Unicolours and 4 Betonlooks. Besides the colours of the Arturo Color Collection, we also have the Arturo Evergreens. These are basic colours in Unicolours and Betonlooks that have proven their strength over the years. In this colour overview for the Arturo PU2030 Self-smoothing floor you will find the price categories divided into Unicolours, Flakes and Concretelook for the Arturo Color Collection and Arturo Evergreens.
